

Milan, 9th December 2020

Dear Colleagues and Friends,

On behalf of the EMDR Europe Conference Committee, I am delighted to announce that the **first virtual Conference of EMDR Europe Association will take place from 11th to 13th of June 2021!**

We are offering a dynamic, high-quality mix of sessions, including keynotes, symposia, group discussions and workshops, all focused on exploring **EMDR Responses to the Challenges of this Decade.**

Nothing can replace interacting with others in a physical space and meeting up for dinner with friends we see only once a year. But we are sure that we will experience the spirit of our European and global community even more, joining great discussions about the issues EMDR is facing and will face in the next future. During the Conference, you will be able to explore our wide range of live networking experiences and connect with participants around the world, since more attendees will be able to easily join no matter the distance.

Even language will not be a barrier anymore: the virtual format allows us to offer the keynotes and one track translated in 5 languages (French, German, Italian, Russian and Spanish) and even more upon National Associations' request.

If your Association's language is not among those 5 and you would like to request the translation, please contact the Conference Committee as soon as possible and you will receive information on costs and possible discounts.

Furthermore, for the first time you will enjoy the content of the EMDR Conference to the fullest, as all the sessions will be recorded and available for viewing on demand for a month after the end of the Conference.

I would like to thank the Board and all the membership of EMDR Europe for the support in this major process of change. Although we will miss meeting everyone in person in June, we are continuing to grow as a community and enjoying working together.

For further information, please visit the Conference website: <https://emdr2021.com/>

We look forward to welcoming you to our next EMDR Europe Conference!

Sincerely,

A handwritten signature in black ink, appearing to read 'Isabel Fernandez', is written over a light blue rectangular background.

Isabel Fernandez

President of EMDR Europe Association
